

## Associate Pastor for Administration and Pastoral Care

All Saints Presbyterian Church in Fort Worth, Texas ([www.allsaintskirk.com](http://www.allsaintskirk.com)) is seeking to call an Associate Pastor to focus on the ministries of church administration and pastoral care. Church administration will encompass management of events, congregational involvement in church ministries, finance, office staff, and facilities. In addition, his responsibilities will include regular discipleship and pastoral duties as directed by the senior pastoral staff.

Our search is for a well-rounded and qualified Pastor with particular gifts and interests in serving Christ's church through a managerial and administrative role alongside discipleship and occasional teaching duties. Minimum qualifications will include appropriate formal theological training commensurate with ordained ministerial office; several years of related ministerial or church leadership experience; references that verify ministerial calling; a reputation of faithful, peaceable and loyal Christian service; clear demonstration of family (marriage and parenting) faithfulness and service; proven financial responsibility; willingness to relocate to Fort Worth and commit to a long-term call.

Candidate theological distinctives must be in accord with our confessional statements. ASPC is an energetically growing congregation of more than 300 souls. The call is full-time and will be compensated generously and accordingly.

Interested candidates should respond to [session@allsaintskirk.org](mailto:session@allsaintskirk.org).
